## Frontend Developer

 rashmiphegade05@gmail.com  +91 8153818569  Mumbai, Maharashtra  Phegade Rashmi

 phegaderashmi

### Profile

Full-Stack Developer, available immediately, with 3 months of experience in Node.js, Next.js, JavaScript (ES6/ES7), and MongoDB. Built KAutonomus, an AI-powered media analytics & subscription platform with secure authentication, payment integration, and automation. Passionate about scalable APIs and interactive UIs.

### Education

#### MASTER IN COMPUTER APPLICATION

June-2023 CGPI(Avg): 8.48

#### BACHLORE OF COMPUTER SCIENCE

March 2020 To April 2023 CGPA: 8.69

#### HSC

June 2018 To Feb 2020 Percentage : 60%

#### SSC

March 2018 Percentage : 77.84%

### Skills

#### Web Technology

Next js, React js, Node js, Python, JavaScript, Php, HTML5, CSS3, C, C++

#### Frameworks

Bootstrap, Tailwind Css

#### Databases

MySQL, MongoDB

#### Design Tools

Figma, Canva, Photoshop

#### Soft Skills

Problem Solving, Team work, Adaptability, Communication, Leadership, Time Managemnet, Attention to Detail, Analytical Thinking.

### Projects

#### QuickConnect: A Dynamic Contact Manager

**Technologies:** React.js, JavaScript, CSS,Node.js (optional), MongoDB (optional), HTML5.

**Disription:** Developed a full-stack CRUD application using React.js, allowing users to **Create, Read, Update, and Delete** data seamlessly. Utilized React hooks for state management and integrated with REST APIs for dynamic data handling. Focused on responsive design and user-friendly interface.

#### BrewMasters: A Next.js Coffee Shop Experience

**Technologies:** Next.js, React.js, HTML5, CSS3

**Disription:**Built a sleek, responsive coffee shop website with **Next.js**, offering a fast, SEO-optimized experience to browse menus, place orders, and explore shop details. Features include a dynamic menu, interactive contact form, and location map, all designed for a cozy, mobile-friendly experience.

#### Career Document Design Website

**Technologies:**PHP, JavaScript HTML5, CSS3, Bootstrap,MySQL

**Description:** Developed a web application to assist job seekers in creating professional and visually appealing resumes.  
**Testing Contribution:** Designed and executed test cases for user registration, authentication, and PDF download functionalities. Ensured cross-browser compatibility and responsiveness.

**Graphic Designer for Yugantar College Events** [↗](#)  
Designed promotional posters for Yugantar, contributing to the visual branding and outreach for college events through creative, engaging visuals that attract diverse student participation.

**Food Delivery Website Design**  
**Tool: Figma**  
Designed a visually appealing food delivery website prototype using Figma. Focused on easy navigation, smooth order placement, and attractive visuals to improve user experience. Ensured the design works well on all devices.

Professional Experience

**Kanalytics Pvt Ltd**  
**Project: KAutonomous**  
**Role:** Full Stack Developer

- Engineered an **AI-powered autonomous media analytics system** that enables clients to upload and analyze media content without manual intervention.
- Developed an **AI-driven upload module** supporting images, videos, URLs, and YouTube links, with automated **text extraction, transcription, translation, and metadata analysis**.
- Implemented a **secure authentication system** with **OTP login, API key validation, and device security checks** using Node.js and Next.js.
- Designed a **subscription-based access model** (Free, Basic, Pro, Enterprise) with **payment gateway integrations** (Stripe, Razorpay, PayPal).
- Built a **self-service report generation feature**, allowing clients to upload articles and generate detailed reports independently.
- Provided **admin-side controls** for **user management, billing, subscription tracking, and analytics**, ensuring seamless system operations.

Certificates

<p><b>Python Certificate(HackerRank)</b> <a href="#">↗</a> Earned a Python certification on HackerRank, demonstrating strong programming skills and problem-solving ability.</p>	<p><b>SQL Certificate (HackerRank)</b> <a href="#">↗</a> Earned SQL certification from HackerRank, demonstrating proficiency in database management and query optimization.</p>
<p><b>Web Development</b> A web development certificate validates proficiency in designing, building, and maintaining websites and web applications using various programming languages and technologies.</p>	<p><b>Git &amp; GitHub.</b> <a href="#">↗</a> A Git &amp; GitHub certificate demonstrates proficiency in version control using Git and collaborative software development on GitHub.</p>
<p><b>Software Testing</b> <a href="#">↗</a> A software testing certificate validates foundational knowledge of software testing principles, methodologies, and tools.</p>	

Extra Curriculum Activity

**Class President & Placement Coordinator**  
As class president, I represent students, organize events, and bridge communication with faculty. As placement coordinator, I connect students with job opportunities which come in our college. I collect information from students & relay it to the TPO.

**Data & Analyst Workshop** [↗](#)  
**Cloud Counselage Pvt.Ltd**  
Successfully completed a comprehensive workshop on Data & Analytics with Cloud Counselage Pvt. Ltd., gaining hands-on experience in data analysis techniques, data visualization, and the application of analytical tools to derive actionable insights from data.
